

# Milford Astor - PROUDLY SUPPLYING SIX CONTINENTS

Making your products speak for themselves

Australia's largest, independent, hot stamping foil manufacturer, Milford Astor, is now exporting to Europe, Asia, USA, Africa and South America.

## MAKE YOUR PRODUCTS SPEAK FOR THEMSELVES

Give your products creative shelf appeal and brand identity with our hot stamping and cold foil for rigid or flexible packaging. Milford Astor's range includes metallics, gloss, pearls and clear foils as well as holographic, security and wood grains.

Talk to us today about how our foils, hot stamping & pad printing machines, thermal transfer ribbons and other printing consumables can provide innovative solutions for all your coding and decorating needs.
