

Chocolate Shall Be Your Salvation

THE PATH TO SUCCESS IS PAVED IN CHOCOLATE!

THE CHOCOLATE REVOLUTION HAS BEGUN!

CHOCOLATERIA SAN CHURRO'S beautiful Spanish styled chocolate cafes are rapidly changing the way people in Australia enjoy their chocolate. The concept, already firmly established in Victoria with 8 stores opening by March 08, has also made a huge impact in Sydney with 3 amazing stores already trading. The rest of our Australian roll out is ready to happen with WA ready to go and Brisbane interest level incredibly high.

The truly exciting news however, is our international expansion with our first 2 stores in Shanghai planned for June 2008!

If you love the idea of being your own boss, don't miss the opportunity to be a part of one of Australia's most exciting new franchise concepts. The Spanish chocolateria has been a way of life in Spain for hundreds of years. San Churro has adapted the concept for the Australian market in a way that takes full advantage of the rapid growth in the indulgence sector.
